INTERNAL QUALITY ASSURANCE CELL

Report - Women Empowerment Program on

Self, Mutual and Societal Scope for Women's Empowerment - Opportunities and Resources

The Internal Quality Assurance Cell of Islamiah Women's Arts and Science College organized a Faculty Development Program on Self, Mutual and Societal Scope for Women's Empowerment - Opportunities and Resources with Ms. Parveen Papa, Philanthropist and Director, HR, Huma Specialists Hospital and Research Centre, Chennai and Ms. Shereen Sultana, Social Activist and Reformer, Chennai, as resource persons on 1.3.23 between 12.00 p.m. and 1.30 p.m. with over 90 faculty members in attendance in the Seminar hall.

The Principal, Dr. M. Renu, addressing the faculty members stressed upon the need for sensitizing the students towards their rights as women living in a deeply conflicted society that is theoretically matriarchal and practically steeped in radical patriarchy. She felt that irrespective of caste, religion or background, every woman should be able to look beyond this fog at the bigger picture and determine for herself her role, strength and the opportunities available to her and how best she can make use of those opportunities to empower herself.

The widely renowned philanthropist, Ms. Parveen Papa, with several decades of experience working for the cause of Women empowerment - social, financial and economic - presented a well- documented argument about the scarcity of awareness in the face of education and knowledge influx. Women being unaware or being only partially aware of their rights has been the core reason for their exploitation. She insists that women should not only be empowered to be financially independent but should also be taught to protect their assets and their selves in their public and private space.
