11. Suggestions:

Alumnae fully agree that the college had developed their confidence by conducting curricular & co-curricular Programmes and the teacher's encouragement for student's participation in these programmes assisted them to develop their communication skills, leadership qualities, social commitment and responsibilities. Few alumni of the College requested to bring new courses in College and also provide more number of campus interviews in the college. Cleanliness and hygiene related awareness program should be conducted every now and then to make the students responsible enough towards their personal hygiene as well as develop environmental consciousness. With the help of Placement and Training cell, the College also started to conduct additional number of campus drives, internship training programs, and awareness programs in different fields relating to social and professional development through various departments. Hence, the alumnae confess that the college gave them the wings which helped them to fly high and pursue their goals. The alumnae give credit to the college for their present position in life.
